King Tony

Who We Are

Professionals in 130 countries around the world recognize the King Tony name as being synonymous with high quality hand and air tools and in 2007, King Tony brought their brand and quality to the United States and Canada. Since 1984, King Tony has been making hand tools of worldclass quality that meet the needs of professionals in both automotive and industrial applications. Our tools meet or exceed the toughest standard in the US, Europe or Asia and our factories are all ISO certified to assure our customers that they will never regret their purchase of a King Tony product.

What We Offer

Horizon Tool Inc. offers three brands in North America: KT Pro Tools, our highly polished chrome mechanics and maintenance tools. Mighty-Seven (M7), a uniquely engineered line of air tools, and the King Tony brand of pliers, screwdrivers and automotive specialty tools. All three brands share the King Tony global commitment to quality, service and satisfaction that has made King Tony one of the largest privately held hand and air tool manufacturers in the world.

Why King Tony

Whether you need socket sets or torque wrenches, pliers or an air sander, we invite you to browse our website and catalog and compare our low pricing to that of other quality tools. If you make your living using high quality tools you will find that you don't need to mortgage your future to own King Tony products. Feel free to order directly from our website (your order will be fulfilled by our nearest stocking distributor) or, if you are a distributor, give us a call and we will discuss the advantages of stocking products from Horizon Tool Inc.

GRIPSTRIP™ Technology

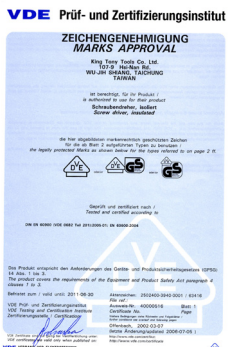
The latest innovation in socket tool technology is here with our new patented rubber strip. This feature offers several advantages over all other socket tools supplied in the industry today.

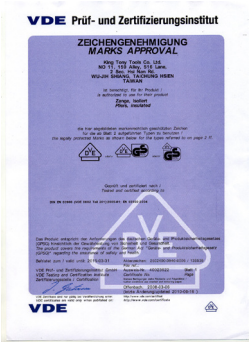
The material in our *GRIPSTRIP™* is chemical resistant and easy to clean. The socket design incorporates the *GRIPSTRIP™* into the socket to provide just enough surface variation without interfering with the socket function.

The color coded *GRIPSTRIP™* easily identifies the SAE Red and Metric Blue sockets. The ergonomic benefit of a no-slip grip, easy to turn. Easy on and off applications. This enhanced griping capability gives the user the ease of use when oils and chemicals are present.

This new technology is available on all 3/8”, 1/2”, 3/4” and 1” drive sockets. This combined with our larger markings makes this line of sockets the most user friendly and innovative product available in the industry today.

GRIPSTRIP™ is a patented technology of the King Tony Tool Co Ltd., protected under patent number 7987748.





Warranty Policy

Horizon Tool Inc. offers a Limited Lifetime Warranty, limited to the repair or replacement or equivalent, for the non-powered hand tools and accessories found to be defective in workmanship or materials within the useful life of the tool. Any repair or replacement of the tool based upon this warranty shall be approved by an authorized Horizon Tool, Inc. representative. This warranty applies to the tools supplied by Horizon Tool Inc.

Horizon Tool Inc. reserves the right to conduct inspection of the product to determine if the product is covered under warranty. The reasonable useful life of the tool, degree of material wear or degradation, will be taken into consideration to evaluate if the tool is qualified for any repair or replacement. This warranty does not apply to any product which has been misused, abused or altered in any way.

All implied warranties, including but not limited to, the implied warranties for merchantability or fitness for a particular purpose are hereby specifically excluded.

In no event shall Horizon Tool, Inc. be liable for consequential, incidental, or specific damages resulting from or in any manner related to the product, its design, use or any inability to use the same. The sole and exclusive remedy with respect to a defective product shall be the repair, or replacement of the tool.

King Tony and KT PRO torque tools, Mighty Seven air tools and accessories are covered under a separate one year warranty program.
